Hey Les! This is the first I'm hearing of this. We currently don't land in NY until 10:20pm on the 26th from Europe, so it may be too late for us to stop by that night unfortunately. (There is a small chance we may arrive earlier if I can change our flights..will let you know) We would however like to see him on the 27th sometime as we have a gift we would like to bring over to him. Do you know if there is a time that would work on the 27th?
