Hi Lesley,
Just called the restaurant and told them to have both names noted so they can use either.

Angela, when guests arrive, do they ask for the Jeffrey Epstein party?? The Tim Zagat party? or is there only one private room?

Yes! That is why we have changed to private room so that JE can say yes to everyone who is asking to be included :) Same place and time, just in a private room now.

Hi Angela...I hear the dinner will be in a private room now! What restaurant and where? Will the time still be 7:30pm? I am adding more and more guests as each hour goes by I feel like...

Thanks! Lesley
