**Subject:** Possible Conf Call

Hi Bella...JE had a conf call scheduled with Rich Joslin, Patrick Fenn and Melanie (from Leon Black's office) today at 2pm...the dial in number that was provided by Joslin was not working...I sent around our conf call number to everyone in case they needed to use it..not sure if they did cause JE hung up on me before I could gather a sense of what they will all do..

bottom line, You might see that a conf. call happened today at 2pm EST (3pm STT time)
