Subject: Re: Details for Jan. 26th Dinner w/Jeffrey

I feel like a wedding planner here - David Brenner is SO looking forward to the dinner on Sunday, but hasn't been out of bed since Saturday but hopefully will be better in the next few days and will give me an update hopefully by tomw. I know how much JE enjoys entertaining and being entertained by comics, and if Brenner can't make it, would he like me to invite Lewis Black? I know he said Lewis wasn't that funny at our last dinner but I think that's only because I was so funny everyone else paled in comparison!! And I think Woody really enjoyed seeing him. Plus he's a major foodie and would probably love meeting Mr. Zagat. I would invite Chris Rock, but I think JE said Woody wasn't a fan. Anyway, let me know, I'm perfectly comfortable being top comedy dog (next to Woody of course!) at the dinner. Will let you know about David as soon as I hear from him. BS

This restaurant sounds extraordinary. Since JE is not a foodie, I will get excited for two. A shave and clean socks may even be in order.
