Subject: Re: How much for your ring to be fixed?

ok great...I actually just want to add that little thingy on...not resize...if i make the ring smaller I can't get it over my knuckle..but it twists all around my finger and is annoying...so the little thing he added on is perfect. I just need to find the time to get over there! thanks

Hi Les, he just added the cheap little thing on the inside, it was a couple of dollars, are you having yours completely resized?

Hi [REDACTED]...just curious..how much did the guy charge you to fix your ring so it fits?

:) Les
