Hi Lesley,
Hope you have started the New Year well and that it will be a great one!

Further to the brief meeting my partners in the fund had with Jeffrey in December I would hereby like to send the updated presentation but perhaps more importantly the latest newsletter for Jeffrey's attention.

I'm fully aware of the fact that Jeffrey is not too keen on Hedge Funds, but an investment of any size would mean a great deal to me.

Wishing you all the best and look forward to possibly seeing you again at some stage.

All the best,

Lars
