Are you organizing [REDACTED]'s pick up from the airport on Sat. Jan. 11th? She also needs pick up on Jan. 15th when she comes back from the island...I have asked JE if he wants Jojo to pick her up on the 15th and take her to the apartments...will let you know what he says..

I do not know her flight details arriving on Jan.11th or her return details and presume you are handling...?
