Hi Laura...Hope you are well! Jeffrey wants Dr. Bard to have a copy of the xray's he had taken at Dr. Qureshi's office...I have requested 2 CD's of the xray's, but I think if Dr. Bard called and asked to have them sent to him digitally, he could get them faster...

Could you possibly have Dr. Bard call Dr. Qureshi's office? I have been speaking with Cheryl...

Let me know if possible...if not, we can Fed Ex you the CD...

Thanks, Lesley
