Ok, this appt is a 10-15 minute drive from Jeffrey's home...I will ask to have jojo (jeffrey's driver) outside waiting to take you to this meeting for ease...why don't you take the 8-9 call from your hotel then come over to JE's...where is your hotel? (sorry for all the logistical questions, but it helps in predicting timing!)

LGA is the best to drive into the city from...I would think you will arrive JE's no later than 6pm and your party is straight down Park from 70th to 26th and should take about 15 minutes...HOWEVER, traffic this time of year could be bad on both drives!...perhaps the Monday morning idea is better...where is 10:30am meeting on Monday?
