Good morning Robin. How nice of you to check on Jeffrey. He did see Dr Busse yesterday at 3pm and I think all went well. I did not discuss with Jeffrey personally, but spoke to one of the assistants who went with him. Thank you for the emergency number and reiteration again! Always good to know. I will be in NY Monday the. In CT the rest of the week with my family! (But always available if needed!) take care and enjoy the season.
