Hi [REDACTED]...hope you had a nice holiday...

I need to leave at 4pm on Thursday so I can make [REDACTED] football banquet in CT at 6pm...you would probably be here anyway, but just want to make sure you are here when I need to leave...the Woody dinner will be thurs. night also (that's kinda why I think you will be here anyway)

also, have you heard who will escort JE to MIT/Harvard this Friday?

and finally, I have a dinner tomorrow night in the city and wanted to just spend the night in an apt...we have 11J so I thought I would crash there...

Thanks, Lesley
