I hope that it is not serious and that he feels better soon.

**Subject:** Jeffrey Epstein Must Cancel Today

Good morning George. I am so very sorry, but unfortunately, Jeffrey is sick in bed and will not be able to make his trip up today...we will need to cancel your appointment with him at 5pm today. Hopefully, he will be able to make his way up soon and we can reschedule.

Thank you,  
Lesley  
Assistant to Jeffrey Epstein
