Subject: Re: Seeing JEE tomorrow early?

Well just knowing him and his history I know it's not an allergy and if it looks like an allergy it can only be one or two other things.

Might not be an ingestion.

Was it facial swelling or other stuff involved.

they don't what the reaction is from...JE has tried to think of every possible thing he ate/ drank, etc and does not know..
what do you think it is?

Did they figure it out
I bet I know what it is....

Are you sure it was an allergy? Did he see a
doctor?

completely bizarre...and I said
the same thing...things like this
don't happen to jeffrey...

Hi there Lesley!

JEE says he's around tomorrow
"early" (not sure what that means
timewise?) - can I stop by and hang
out? Let me know what time might
work?
THANK YOU
