Was it this...symptom wise

- Swelling of the face (eg, eyelids or lips), tongue, hands, and feet
- Local burning sensation and pain without pronounced itchiness or local erythema
- Abdominal pain
- Throat tightness, voice changes, and breathing trouble

Are you sure it was
an allergy? Did he
see a doctor?

not yet...

He had a severe allergic reaction to something and we are taking it kind of slow today...I'll let him know you were following up...

Hi there Lesley!

JEE says he's around tomorrow "early" (not sure what that means timewise?) - can I stop by and hang out? Let me know what time might work?
THANK YOU
