Great! They say between 11-1 but I can give you or Bob a shout before they leave. I will also need a check for the balance at that time, less the backsplash so \$10,000.00, will Bob have that?

Hi Leslie,

The guys have been working hard on your kitchen and it is ready to be installed!!!! They want to know if they are able to come tomorrow? Once they install they will measure for the backsplash at the same time. Let me know.

Thanks
