Subject: [REDACTED] - Island stain

Dear [REDACTED]

The Island is Cherry with a "Wenge" stain.

The stain & stain wipe are shipped together & the topcoat & catalyst are in separate carton.

Be sure the individual is familiar with all. The Manufacturer applies the process in a controlled environment and certified staff.

I am waiting to hear back from the Manufacturer for the costs and shipping, I'll know after the Holiday weekend.

Have an enjoyable Thanksgiving!

Speak to you soon.

Sincerely,

Chris Cross

Subject: Exact Stain and Wood We Used?

Hi Chris...might you be able to email UltraCraft and ask them exactly what kind of wood they used (maple I believe) and what exact stain they used (Wenge, but who makes it and did they condition the wood prior to staining? If so, with what did they condition it with?)

We want to match our Family Room Breakfront to the kitchen island..if you would like, you could give me a contact name/number at UltraCraft and I could give them a call?

Thanks, [REDACTED]
