Alan is GREAT! What a nice guy. His wife too!! We were able to figure out where everything will go and looks like we will have enough !! We are doing Carrera marble in the mud room! Will look darn nice.

Allison showed me an edge that is more squared off than eased. They have a vanity/sink in the showroom. Can we do this edge instead? I really like it. Also, Alan said with whatever he has left he can give me pieces (like a rectangle piece) so I can use for a cheese board. Can you just remind him?

I will be sure to have Bob write a check!
