Subject: [REDACTED] Appraisal Rep

Hi Bob...I have the name and number of our [REDACTED] Appraisal Rep,
[REDACTED]

I called and left her a voice mail letting her know we have fire extinguishers throughout the house on every floor...we are getting the house locked up and there is a fence around the property...I also said if she still needs to speak with you to give you a call but we should be in compliance ...I left her your cell number just in case.

Thanks, [REDACTED]
