HI Jena...i have been meaning to get back with you! Jeffrey has the newest, latest and greatest of everything when it comes to electronics...Iphone 5, iPad, etc!!

I love my retractable charger you just gave me and have been using it daily!

So happy we were able to have dinner last Tuesday! It is a winter wonderland here today! flying would have been difficult...they are canceling flights left and right...thank you so very much for treating me to dinner ...it was great to see you as always...

Love you! [REDACTED]
