Subject: Restaurant ??

Hey...very last minute Lisa asked me to go with her to a taping of Jimmy Fallon on Thursday afternoon. They purchased it at an auction but now Denis can't go. It came with a car service. Luckily, because of your kind sharing of [REDACTED] I am able to go! The show tapes at 4:30 in Rockefeller Plaza. We might grab an early dinner after...any restaurant suggestions right there? We might just go to the bar at Del Frisco's because it will be early and might be fun..I am pretty sure you can eat right in the bar while you look at all the nicely dressed business men after work!! We are open to a suggestions too. We don't want to walk or drive too far. We hope to be heading back to NC by 8PM.

Also, does [REDACTED] want any sports gear? jerseys/basketball shorts/stuff? what can I get him?
