Hi Linda...Hope you had a tremendous holiday...wanted to get back to you on your quote...SO much appreciate your time and effort, but we have decided to go with another company...we will get back gift cards to costco for money we spend with this company...that is appealing to my husband! Your pricetags for the closets were pretty close. I hope your surgery goes well this week and you are feeling way better soon!

Take care, [REDACTED]

Yes. That will work. See you then, unless you end up not having to go in earlier in the week - just give me a shout and if the stars are aligned (lol) I might be available on short notice!
Have a good weekend!

Ok no worries. Will Friday Nov 22 at 12:30 work for you? I'm pretty sure I will need to be in the city T, W and Th so they are not an option.

Would 12:30 at my house work for you? I live one mile from where the new house is.
