FYI...I DID remind JE of Bill Hammond and his school...  
This is not the first I have heard JE requesting to know of staff and holidays etc prior to when the event is to occur...I have been trying to warn him 2 weeks ahead of time with staff holidays...and I sent him his entire calendar at the beginning of the month..but I don't think he truly 'reads' it. Is what it is!  
Please keep me abreast of schools, holidays, changes etc. and I will also try to help keep him posted...With a staff as large and spread out as he has it is just difficult!
