Hi Vlad,

Jeffrey has me researching the best Russian visa for us to get. He wants one that is valid for more than a month. I spoke to an agency in NY, and they told me the best visa to get would be a business visa which is good for one year. They say it will take 2 weeks to get an invitation, then 3 days processing time at the consulate once we have the invite. I have given this info to Jeffrey, and he told me to "ask you". Does this info seem right? Perhaps there is a quicker way to get the invitation for a business visa? Any insight you may have would be much appreciated.

Best,
