I went ahead and made the changes. I changed the piping color on the diner chairs to Royal US354. I changed the type of bar stool to the Chair Seatback Bar Stool with a 2" cushion, 24" height in the Adobe White US394 with the Royal US354 piping.

Attached is your new receipt. Your CC will be charged when your order ships out. You have a credit between your original order and the new order of \$12.

please email me back to confirm everything is correct

thanks!!

Hi Brad. I've been trying to email your other email, but it keeps coming back as undeliverable. Also, your 800 number doesn't work either. For the updates to the order:

I would like the 4 Standard Dining chairs to still be in Adobe White US394, but I would like the piping to be in Royal US354.

For the barstools, I no longer want the Seatback Longneck Barstool, but instead I would like 3 of the Chair Seat Back Bar Stool with a 2" seat cushion, 24" height in Adobe White US394 and piping in Royal US354.

Can you please send me an updated order confirmation? Thank you so much for your help!

Question..is the Adobe White the whitest white available in that material for the chairs and barstools?
