Jeff,  
That would be very kind of you.  
Check should be made out to Stony Brook University School of Dental Medicine.  
Best to send it to me at the address below and I will give the check to the School when I am out there. Please enclose a note saying this is for my academic activities at the Stony Brook University School of Dental Medicine.  
Will also keep you informed about the transfer of unused funds.

Regards,

Ira

Hi Jeff,

It has been some time since we last spoke and hope a=l is well with you.

Since leaving the dental school, I have been at the =ailman School of Public Health, which has been a terrific experience.</=>

As you recall, you were kind enough to provide me wi=h an unrestricted gift when I began my work at the School of Public Health= This support was invaluable, and contributed to advancing discussion about the future of the dental profession, and the im=ortance of oral findings in persons with diabetes mellitus. This resulted =n the publication of 1 book, 2 monographs, 2 other book chapters and=numerous papers in refereed journals.

After 28 years, however, I have decided to leave Col=mbia and explore some other opportunities. I will be taking a part-time fa=ulty appointment at the Stony Brook University School of Dental Medicine, with a focus on developing their global oral health pr=gram.

Here is my request: some of the money you provided w=ll remain in my gift account at the end of June, when I will be leaving Co=umbia. I would like to move those funds to Stony Brook to support my work there, but need the permission of the donor, mean=ng you. If those funds are not moved, they will revert to Columbia.=u>

Please let me know if you agree to this request</=>

Thanks, and look forward to hearing from you.=u>
