SECURITY/EXEC= TIVE PROTECTION -&nbs=;IMG provides secu=e transportation and security for your employees or family during internat=onal or domestic travel. IMG personnel conduct reconnaissance in the areas=of the particular visit, which could include preparing primary and alterna=e driving routes, identifying safe locations, medical facilities and cente=s of law enforcement and liaising with other representatives, security org=nizations or government agencies as required. IMG performs a comprehensive analysis of a comp=ny's vulnerability to a range of threats, including terrorist attacks, nat=ral disasters, workplace violence, theft and spying.

DIGITAL FO=ENSICS/CYBER SECURITY - </=pan>Cybercrime is at an a=l-time high and has become an ever-increasing threat. IMG's Digital Forens=c/Cyber Security division can conduct a comprehensive assessment of your I=T. systems. This assessment includes an evaluation of the current security=system's policies and procedures and recommendations to enhance overall ef=iciency and cost effectiveness.

LITIGATION SUPPORT - IMG provides a range of investigative and intellige=ce-gathering services on behalf of attorneys and their clients. IMG assist= legal counsel in the discovery process by identifying and interviewing wi=nesses, locating assets, assessing net worth, and conducting background in=estigations and surveillance when appropriate. When investigating internal=fraud, workplace violence, sexual harassment and discrimination cases, IMG=works with

companies to uncover early warning signs, creates an action and response plan, and helps deploy professional staff to assist and counsel employees in the aftermath of an incident. To help build cases, IMG utilizes digital forensics to uncover infiltration or tampering with computer systems and electronic assets, and helps recover lost data and communications.

BACKGROUND INVESTIGATIONS - IMG provides a comprehensive analysis of a potential business partner, entity, investor, employee or individual, both domestically and abroad. IMG conducts inquiries that include federal criminal records, civil litigation, employment history, UCC filings and warrants, real and personal property holdings, all corporate and business affiliations, regulatory searches in relevant industries, United States Tax Court records, and a full media search, including relevant trade and business media. <div>
