The above cartoon from the official Palestinian Authority daily shows a masked woman swinging a slingshot with a stone in it, creating the Arabic letter Nun, which indicates the female form in Arabic verbs. The cartoon shows a Palestinian woman taking an active part in rioting and rock-throwing and encourages it. [Al-Hayat Al-Jadida, Oct. 27, 2015]

Recent photos published in Palestinian newspapers have shown the role of women in the current wave of violence. The official PA daily published a picture of a keffiyeh-masked young woman swinging a slingshot, with the text: "El-Bireh: A young woman throws [rocks] at them with a slingshot." [Al-Hayat Al-Jadida, Oct. 27, 2015]

Another Palestinian daily published a photo on the front page showing a girl using a sling shot. Text below image: "A photo from the confrontations in Bethlehem."

[Al-Ayyam, Oct. 14, 2015]

The same daily also printed another photo of rock-throwers, also on the front page, showing a young woman taking part in rock-throwing (third from right). Text: "Young people throwing stones at the occupation forces near the settlement of Beit-El, north of El-Bireh" [Al-Ayyam, Oct. 9, 2015]

Similarly, Fatah posted a photo yesterday that also glorified rock-throwing. The photo shows a keffiyeh-masked man holding a rock. The text above the picture glorifies death as a Martyr, urging people to take part in a march in honor of the "blood of Martyrs that has watered the precious soil":

"For the blood of our Martyrs (Shahids) that has watered the precious soil of the homeland from north to south. For Jerusalem and the Al-Aqsa Mosque. For our courageous prisoners. For our precious homeland Palestine, Fatah's Ramallah and El-Bireh branch and the Islamic and national forces call on you to attend the march that will start today, Tuesday [Oct. 27, 2015] at midday."

Additional text said:

"#The_rage_of_Jerusalem, the rage will continue."

has documented that both Abbas' Palestinian Authority and his Fatah movement promote rock-throwing and stabbing attacks

The following is a longer excerpt of Fatah's post on Facebook promoting rock-throwing:

Image and text posted on the official Facebook page of the Fatah Movement.
