## **It is clean and funny. FIRST TIME SEX**

**A girl asks her boyfriend to come over Friday night to meet, and have a dinner with her parents.**

**Since this is such a big event, the girl announces to her boyfriend that after dinner, she would like to go out and make love for the first time.**

**The boy is ecstatic, but he has never had sex before, so he takes a trip to the pharmacist to get some condoms. He tells the pharmacist it's his first time and the pharmacist helps the boy**

**for about an hour. He tells the boy everything there is to know about condoms and sex.**

**At the register, the pharmacist asks the boy how many condoms he'd like to buy, a 3-pack, 10-pack, or family pack. The boy insists on the family pack because he thinks he will be rather busy, it being his first time and all.**

**That night, the boy shows up at the girl's parents house and meets his girlfriend at the door.**

**"Oh, I'm so excited for you to meet my parents, come on in!"**

**The boy goes inside and is taken to the dinner table where the girl's parents are seated. The boy quickly offers to say grace and bows his head. A minute passes, and the boy is still deep in prayer, with his head down.**

**10 minutes pass, and still no movement from the boy.**

**Finally, after 20 minutes with his head down, the girlfriend leans over and whispers to the boyfriend, 'I had no idea you were this religious.'**

The boy turns, and whispers back,

'I had no idea your father was a pharmacist.'

**If you DON'T forward  
this to at least 1 person  
you have no sense of  
humor !!!**
