Hi Yana,

I'm writing to you regarding something [REDACTED] said today.

Well, she said ass hole in Chinese today when we were talking about body pa=ts. It was nothing wrong with the word but it is not a nice word to say an= it is not a word you will use in public ever as the word Joanna used for =ss hole is very informal. A very well educated Chinese person wouldn't use that word and it is not a wo=d I would teach the youth in my class.

It is good to know different ways to say something in Chinese but the littl= ones are still too young to judge which ones are good and which ones are =ot. They will just copy and repeat.

I've told [REDACTED] not to say it again to any other Chinese speaking peop=e. She agreed but I'm not sure if she really understood me.

Kind regards,

Haiyang
