I understand that Clinon and Denny Bryan are meeting Monday to Finalize specs. I was just on phone with Johann about the dock and we are going to have a call early next week with Lisamarie and their legal council, Erika and myself and negotiate a path forward. Johann is adamant we cant be held responsible or be punished for what Kjean did or didn't do correctly.

What I am proposing is that we be allowed up this dock with a promise that we will have a permit application in for a new dock within 60 days.
