Please advise which watch (option 1, 2 or 3) you would like to order. When I looked online the grey (called fog) appears very light in photo. I can also order black rubber band watch and extra grey (or any other color) band only for \$9.00

1) cost 1,099 - black stainless steel link

2) cost 599 - black rubber band

3) cost 599 - grey rubber band
