Subject: A Note

I am beginning to get the sense that you feel that IGY is run by a bunch of morons, liars and cheats. I assure you, Jeffery, that it is not. Management of the firm is comprised of very talented, committed, and professional people with great integrity. They work very hard under what are often very difficult circumstances in what can be hostile jurisdictions. There is a great deal more to this business than meets the eye.

I understand that you are not happy and I am committed to doing everything I can to change that, but rest assured that no one has ever undertaken to operate in anything other than a transparent, rational, responsible, responsive and professional way. And while I am not always in command of the granular site-level detail and there is no doubt but that maintaining quality staff and continuity in the islands is a tremendous challenge, I assure you that these guys are very much in the game and on top of things. We will discuss it more when I see you. If my suspicions about the depths and extent of your negative feelings is overblown, then please forgive the veracity of this message. But if you trust me at all, then please rest assured that IGY is at the top of the heap in this industry. I don't take my responsibilities lightly nor do I abide anything less than absolute professionalism in all things.

Xoxo ALF
