Spoke to Clinton at length about it yesterday, he said they would=have to upgrade the system to come out of there. He said we would ne=d to come out of Great Bay landing if we wanted to go there. The iss=e is it cuts out the redundancy since we would have both legs off same fee=er. I am in the water most of today and have a call at 530' but =m available around 4 if that's not to late for me to call or come by.=C2
