Adam,

Thanks for the chat yesterday.
Very helpful and I believe we are aligned in our thinking.

As discussed:

- a) please send me an updated term sheet that captures the current status
- =b) I will arrange a call for you with PwC. This is handled by PwC China and t=eir time suggestion is 9pm China time on 8th August. This means 6am your ti=e so I guess not great... What is the earliest you could do?
- c) to make the PwC call most efficient may I suggest you send me a question/=opic list I can send to PwC so they can prepare for your questions?

All the best
David
