If you go forward we should execute our contract and attach the =roposal to it.

=DIV>Brice , I would review with bart on the exact specifications of the =aterials and sources and timing for delivery and installation =DIV>

=DIV>Attached you will find the material list and change order number =1. We have a balance on the flag pool of \$34,742.19. Hard =ost for us to replaster the pool is approximately \$14,000.00 - =15,000.00. All the labor to redo the plaster is given. All =f the guys were paid their daily wage so they will re-trowel for =othing. We have to pay for the new Diamond Brite only. We =ill also have to chip out the existing Diamond Brite. There is no =rofit or overhead with this

cost as it is a hard cost. This is =hat it will cost me to come in and replaster the pool. I would =ike to see at least \$ 20,000.00 of my balance wired over to me please. =nbsp;Let me know if you have any further questions.
