Subject: Bell 430 class

Jeffrey,

If schedule permits, I start Bell 430 initial on Monday next week.

Cost is regularly \$28,900.00 for Flight safety Initial school, we only have to pay \$13,868 since I used my remaining Sikorsky training credit from our S76C++ class. This does not effect our remaining balance of AAG money,.

Option #1 Should we train Nicolas on the bell 430 for emergency use?

Option #2 Gary Manion former Air Center pilot who flys the Sea planes in St thomas could be a good option, since he is more readily available and Gary has flown the Bell 222 similar to Bell 430.

Dave ?

Thx,

Larry
