i reviewed attached and although it is David Mitchell recommendation prices are crazy (i believe by 10-15k) ironically i am pricing new tile for my home kitchen and bathroom and have a vendor that quoted me more realistic prices and seems very qualified please advise if ok to obtain another quote from Peter from ACS who will supply stone and do install - we may just need to obtain 1 other vendor to fabricate door and do demo thank you

Hi Rich,

Attached is the proposal to replace the marble in the steam room.

I will leave the marble samples on the dining room table for JE to choose from then I will get the proposal for that.

Thanks
