Lesley;

We thank you for emailing us regarding =effrey's interest in the Oncoblot testing – it =rovides peace of mind and is noninvasive. Please read =hrough this information/attachments and contact me with any =uestions. If you want to expand your knowledge on =lternative cancer treatments research Ty Bollinger's "The Truth About Cancer" series. It will =eally empower you. We would be honored to offer him a consultation for Oncoblot – You will need to complete the attached medical =uestionnaire. You can type directly onto it, save it and email =ack to me – it is also available on our website. You can =nswer N/A on any cancer questions if they are not relevant. Once = receive it we will contact you about the next available telephonic, in =erson or SKYPE consultation – cost is \$95 for 15 minutes =E2💎💎 if the time exceeds 15 minutes due to additional medical issues/questions, cost will increase. You also have the option of a longer consultation for all =our health concerns.

We will ship =ou the kit - \$850 + shipping –(not billable to any insurance, only a =rite off as "non reimbursed =edical") you can check [www.anylabtestnow.com](http://www.anylabtestnow.com) <<http://www.anylabtestnow.com/>> for a lab in your area as well as the Oncoblot =ite: <http://oncoblotlabs.com/blood-draw-information/> or =abs to Go 757.490.888 - you can also come in =or a draw at our Clinic - the kit has to be overnight =hipped to the Oncoblot =abs in Indiana.

Once the lab =eceives the specimen it's about a 15 working day =urnaround. We will then contact him about a followup SKYPE or =elephonic consult - \$95/15 minutes. If it is determined he have cancer we can put =ogether a treatment plan as we are integrative cancer specialist. =ou can learn more about us at the site beneath my name.

Please do not =esitate to contact me with any questions, etc. Attaching information on Dr. Connealy's new book =available for pre-sale on Amazon as well as the other testing we =ffer. Please take a =oment to explore our Cancer Healing site to learn about all the latest =lternative cancer treatments.

Dana Morgan  
Director of Patient Services
