This playlist is what I listen to when things are mellow. This is what you would drink a good wine to. Make soups to.
Invite a few people over but only the ones you really like. The ones you don't see too often. Have a conversation. -

Unorthodox Jukebox. The new album, as Bruno has said, "represents his freedom" and is chock full of tracks that are soulful, experimental and electronic -- and can't be categorized as just one genre. With tracks produced by greats like Diplo and Mark Ronson, Unorthodox Jukebox gives listeners a little taste of everything. Give it a listen, we know you'll love it!
