Black Eiffel Slope Chair

We love how its industrial setting remains approachable with the use of playful and modern furniture, introduced in warm materials and rich tones, and that it stays away from typical fluorescent lighting using custom fixtures instead. Most of all, we're obsessed with the secret library found behind a hidden bookshelf door which offers a brief respite from the excitement and organized chaos of a day working in the world's only brain-gym. Lumosity's offices are both stylish and stimulating, encouraging scientific research, creativity, and providing the ultimate workspace to create games for the mind.
