[REDACTED],
Good afternoon. At 12:22pm my partner, James Sepowitz, received the email below. I interpret the email as a threat against [REDACTED] safety. I am requesting that the Government use its resources to thoroughly expeditiously investigate the perceived threat and let us know whether it is credible.

Note that I believe the email went to my partner because when people email us from the link on our website, it goes to my partner and not me. Please give me a call to discuss in further detail. Thank you.

Jason
