**Subject:** FW: Please see annexed Epstein Victim Letter

[REDACTED] – I sent this to you because they mention that they spoke to you in reference to getting [REDACTED] a visa to come into the US.

You all probably know this Marsh law firm was very aggressive in representing victims of child pornography. Legal Counsel for victim witness in EOUSA had to counter some of the claims they made. I believe litigation was involved. I think [REDACTED] EOUSA will have insight.

I was just wondering if HSI agent, mentioned in the last paragraph, has run the images to the NCMEC to see if they have identified the images and identified the series.

**Subject:** FW: Please see annexed Epstein Victim Letter

Please see the attached letter which appears to concern an Epstein/Maxwell victim. It was forwarded to civilian crime reports, but because it appears to concern a statutory victim of a case we have charged, CCR does not do anything (other than forward to [REDACTED]). If not a victim, please let us know and we will process. Thanks. [REDACTED]

Audrey received this letter. It is from a law firm and about a victim who may have been abused by Epstein and Maxwell.

Best,
