Importance: Normal

I hope everything is okay – let me see if it is possible to conference you in and, if so, will try your cell.

I am in the hospital so I would only be able to call in. If it will be too disruptive I understand.

[REDACTED],
We'll come over for the 2:00 and call [REDACTED] from your shop.

Hi [REDACTED] - We have a 2:30 meeting with [REDACTED] and his team on a much wider variety of subjects, so I'm not sure it makes sense to merge the two. However, if you, [REDACTED] and [REDACTED] are free a bit before 2:30 we could reschedule this call for before the bigger meeting. I had proposed 2 but if you think we'll need longer than 30 minutes let me know and perhaps we can try to start even earlier.

Thanks,

██████████

I apologize for not being available yesterday. Typical Friday afternoon blowup tied me up on another call.

██████████ mentioned a 2:00 meeting on Monday at SDNY. Does it make sense to call ██████████ from that meeting? Would you two be available? ██████████/██████████, does that mess up your meeting?

For everyone's SA, the ADIC requested a case brief Monday at 3:30 so we will have a 3:20ish hard stop.

██████████,
Following up on our discussion regarding victim interviews in the Epstein case and a conference call to discuss the matter. In addition to ██████████, I've copied ██████████ ██████████ and ██████████ ██████████ who supervise our CAFIs and would be on the call.

I'm in Seattle next Mon - Thur so I'll throw out some options for the group and we can all chime in until we lock it down.

Tue or Wed at 2:00 or 4:00 EDT
Fri any time.

Thanks

██████████
