Lieutenants:

There has been a significant change concerning the placement of inmates on suicide watch at MCC. Starting 8/16/19 when an inmate expresses intentions to physically harm themselves or behavior warrants placement on watch, please make sure that the Captain is notified immediately by phone. If Inmate Companions are needed to sit on the inmate, the overall approving authority is the Warden.

Inmates will no longer be able to remain on SHU BED SPACE, so there should be an initiative to have adequate bed assignments available in the Special Housing Unit.
