Thanks. I've added a section on the CVRA suit and incorporated comments/edits. I wasn't sure how to address two of the comments, so I'll swing by in a minute to quickly discuss, if you're free.

Thanks. Some comments/suggestions in track.

[REDACTED] is not up to speed on the Florida victims litigation which she'll want to have some familiarity with as well - is there anything you guys have already (including media reports) that might be helpful in that regard?

Attached is the most recent ODAG memo, along with a short memo for [REDACTED] that summarizes updates since the last memo. Please let me know if there are any edits you'd like me to make, or additional information you need. [REDACTED] hasn't reviewed this, because he's in transit, but we spoke briefly this morning to discuss what should go in the update.
