I am just reading through all of the new submissions. I don't know which makes me angrier, all of the blatant lies, or [REDACTED] telling them ([REDACTED] no doubt), that I am "unsupervisable." [REDACTED] I'm sorry I got you into this.

On another, ironic, note. Today, Epstein's lawyers are filing motions to stay the four federal lawsuits against Epstein, under 18 USC 3509(k), which states: "If, at any time that a cause of action for recovery of compensation for damage or injury to the person of a child exists, a criminal action is pending which arises out of the same occurrence and in which the child is the victim, the civil action shall be stayed until the end of all phases of the criminal action and any mention of the civil action during the criminal proceeding is prohibited."

I guess it saves me the trouble of filing the motion after we indict.

And, for the record, I still haven't met Bert O., and he is neither EJ's "law partner" nor his "law school roommate."
