Subject: A Happy Moment for the Problem Child

Hi [REDACTED] – I just got a call from [REDACTED] the Chief of Police of the City of Palm Beach. He would like to recognize [REDACTED] and I for our work on the Epstein case. He does not intend to mention the name of the case, just our extraordinary efforts and partnership with the locals. The awards ceremony is on December 15th.

I told him that the Epstein case may blow up again and, if so, I would have to respectfully decline the honor. I also told him that I would consult with you as to whether I am allowed to accept such an award. There isn't any money involved, just a certificate (but they may give me a free ticket to the benefit). If you would like to talk to him about it, [REDACTED] number is [REDACTED]
