I would like to be a fly on that wall. Ok on [REDACTED]. Meeting with [REDACTED] now to review his case. Will forward a copy of chats if case meets standards.

It is this Friday at 3:00 before Judge Hurley.

By the way, I just talked to Spencer Kuvin, who represents [REDACTED] (the person we didn't find). She was 15 when she went. Sounds like [REDACTED] recruited her. He has Epstein set for deposition in [REDACTED] case in January and they are videotaping it.
