DOJ wanted us to hold off sending this out until we get clearance to file our document this afternoon. Will that pose any problems?

Subject: Victim Notification

Hi Alex and [REDACTED] – Here is the proposed notification that was provided to Epstein’s counsel last week.

<< File: Victim Identification and Notification Final with Goldberger sig revised.wpd >>

Assuming that they don’t sign it tomorrow, I would remove the bottom portion that calls for Epstein’s signature and incorporate some instructional language along with notice that Jack Goldberger is the contact person for any civil litigation.
