shirt. EPSTEIN would lay on the table then EPSTEIN would want [REDACTED] to pinch his nipples. While [REDACTED] pinched his nipples, EPSTEIN would hold [REDACTED]. EPSTEIN would touch [REDACTED] and tell [REDACTED], "It's ok." EPSTEIN gave off the vibe that they were not doing anything wrong. EPSTEIN was "super casual" about it all. [REDACTED] did not go further into the details about the sexual contact at this time. [REDACTED] was always paid in cash in 100 dollar bills, sometimes by [REDACTED] and sometimes by EPSTEIN, who would place the money on the counter or take it out of the pocket of his robe.

The first time [REDACTED] massaged EPSTEIN, he asked [REDACTED] if [REDACTED] had friends that [REDACTED] could bring with [REDACTED]. [REDACTED] would get paid \$200 for each girl that [REDACTED] brought to EPSTEIN. EPSTEIN made [REDACTED] feel like his sidekick. EPSTEIN would call and "hound" [REDACTED] for girls that were underage. EPSTEIN did not say specifically that he wanted "underage girls" but told [REDACTED] "you know what I like." [REDACTED] knew that meant he wanted younger girls. [REDACTED] learned this through "trial and error." EPSTEIN would tell [REDACTED] which girls he liked. [REDACTED] was bringing girls that were from a trailer park environment. [REDACTED] brought girls who were young. [REDACTED] initially told the girls that [REDACTED] brought that they would just be giving a massage. Later, [REDACTED] told the girls that he's "gonna jack off and look at you." [REDACTED] told this to the girls so that they "wouldn't freak out" because EPSTEIN had asked [REDACTED] why [REDACTED] had not told the girls what to expect. EPSTEIN was very open with what girls he liked and did not like. EPSTEIN did not like black or mixed girls. [REDACTED] told [REDACTED] that when [REDACTED] took black and/or mixed girls, EPSTEIN "flipped out." [REDACTED] would relay messages about girls that EPSTEIN liked.

[REDACTED] believed that there were certain girls that EPSTEIN "took to a different level." [REDACTED] recalled taking a girl, [REDACTED], who looked very young and EPSTEIN really liked [REDACTED]. EPSTEIN gave \$300 to both of them. [REDACTED] was shaken up and never wanted to go back.

[REDACTED] described that when [REDACTED] brought girls that they would have a routine where both [REDACTED] and the [REDACTED] would go in together to massage EPSTEIN for approximately 30 minutes. Each girl would massage a side of EPSTEIN. EPSTEIN would then flip over and ask [REDACTED] to go downstairs. EPSTEIN would tell [REDACTED] that [REDACTED] could have whatever food [REDACTED] wanted while [REDACTED] waited. [REDACTED] recalled taking [REDACTED], who would have been 16 or 17 years old at the time. [REDACTED] stormed out and told [REDACTED], "Let's go."

When [REDACTED] was an adult and working at a club [REDACTED] brought a woman, who was an adult, and the woman took off [REDACTED] clothes, but EPSTEIN said that he had to go. EPSTEIN gave the woman money and left before any massage took place. [REDACTED] stated the adult woman that [REDACTED] took to EPSTEIN did not care to go back.

[REDACTED] remembered that there was an apartment at EPSTEIN's residence where those who worked for EPSTEIN stayed. [REDACTED] recalled seeing a chef who worked there. [REDACTED] stated that it was "pretty obvious" what was going on in the residence. [REDACTED] recalled seeing [REDACTED] quite a bit at EPSTEIN's residence over a two year period. [REDACTED] "seemed like his sex toy."

[REDACTED] received lotions and Victoria's Secret items from EPSTEIN. [REDACTED] knew that when [REDACTED] was pregnant, EPSTEIN bought [REDACTED] a golden rattle and all the remaining items off of [REDACTED] registry.

EPSTEIN called [REDACTED] one time, saying that he had a friend that he wanted [REDACTED] to meet. [REDACTED] did not go to meet him that time. [REDACTED] had less contact with EPSTEIN when [REDACTED] turned 18.

[REDACTED] saw EPSTEIN's mug shot on TV. [REDACTED] called his phone number and [REDACTED] answered and told [REDACTED] not to worry and that [REDACTED] would be taken care of. [REDACTED] told [REDACTED] that Bob Critton would be [REDACTED] attorney and gave [REDACTED] his information. [REDACTED] told [REDACTED] that if [REDACTED] did not say anything then [REDACTED] would be taken care of. [REDACTED] met with the attorney but there was a personality clash and [REDACTED] did not understand why [REDACTED] would have needed an attorney. [REDACTED] contacted a different attorney and eventually met Brad Edwards. [REDACTED] was contacted by the FBI. [REDACTED] gave depositions for both criminal and civil proceedings.

[REDACTED] had heard that EPSTEIN's investigators were harassing [REDACTED] by shining lights in [REDACTED] window. [REDACTED] had to be placed in a hotel in a different location because of it.

[REDACTED] met a woman, [REDACTED], when [REDACTED] was in prison. [REDACTED] had told [REDACTED] that [REDACTED] had gone to EPSTEIN's residence. [REDACTED] also knew that [REDACTED] and [REDACTED] friend [REDACTED] also went to EPSTEIN's residence. [REDACTED] recalled that [REDACTED] was another girl that went to EPSTEIN's residence and may have been the one who took [REDACTED].

[REDACTED] was contacted by the media, including the Miami Herald. [REDACTED] gave an interview to the Miami Herald. After [REDACTED] gave the interview, [REDACTED] was constantly called by journalists and had to change [REDACTED] phone number.

[REDACTED] stated that [REDACTED] was open and willing to speak further in depth at another date.
